

CCC Board of Directors Candidates

Hailing Wu (吴海玲), a Research Scientist at United Technologies Research Center. She earned her B.S. and Ph.D. in Mechanical Engineering at Xi'an Jiaotong University in China. Her technical expertise includes heat transfer, fluid dynamics, multiphase flow and multiphysics modeling. Prior to coming to UTRC, She was a Research Professor at the University of Memphis (2006-2007), a Staff Engineer at Advanced Heat Transfer (2004-2006). Hailing earned her MBA degree at WPI (2017).

Hailing is an active volunteer in the community, participating in United Way fund raising activities, supporting local Chinese community, and helping with school PTO. She is willing to serve on CCC board to promote Chinese culture via CCC and CCLA. Hailing plays Pingpong, and loves music. She have a lovely family with 2 boys.

Teng Yang(杨腾). I came to Connecticut pursue the new life sixteen years ago and have witnessed the growth of the Chinese Culture Center (CCC). Five years ago, my daughter, Sophie Yang, started to learn Chinese language and culture in CCC Chinese School. I have seen a great improvement in her Chinese reading and writing. Many kids including my daughter had benefited from the hard work of the CCC board members and volunteers, so I hope I can be one of them. I would like to serve our Chinese community by passing the spirit of the organization.

I have a pleasant personality and always keep smiling to help those around me feel welcome and appreciated. One of my strong points is the ability to immediately connect with someone. I am also a good team player with good listening and communicating skills.
