What is Dragon Boat racing?

- A Co-ed team sporting activity
- 20 paddlers racing a dragon boat in a friendly competition against other teams (3 to 4 races during the day)
- A day of socializing along the banks of the Connecticut River

Benefits of Dragon Boat racing

- Promotes team building and communication across departments, lines of business and staff levels
- A day outside of work for your co-workers and families to socialize and interact, thereby endorsing your organization as a great place to work
- Enhances cultural awareness and supports diversity initiatives
- Encourages exercise and wellness
- Helps support Hartford's Riverfront
- Introduces people to a fun new activity
- Gains connectedness with other local organizations in the community, strengthening your visibility in the marketplace

It is easy to do

- No experience necessary (must be 16 years or older)
- All equipment is provided
- Instruction and practice time is provided
- This is a sport anyone can compete in
- Identify 20 or more co-workers, friends or family to be on your team

No athleticism or experience required!
