

## UNITED WAY 2008

### To Chinese Culture Center Members and Supporters:

First of all, thank you all for supporting United Way campaign and Chinese Culture Center in the past years!

Our mission is to build a stronger community through many service programs we are offering such as Chinese education programs, summer camp and various culture activities, and to enhance the social exchange and out reach to other communities. We will be one of the sponsors for the 8th Annual Riverfront Dragon Boat Races and Asian Festival in Hartford on Saturday, September 20, and our dragon boat team will compete again in the event. Please join us to have a fun day on September 20.

As a qualified United Way agent (United Way Code 5342), we appreciate the support from the CCC members and supporters in the past. We will continue to improve our communications and program offerings to meet the demand from our community and beyond while building a strong not-for-profit organization. We welcome your suggestions and we urge you to become part of the volunteer team contributing to a better and stronger community.

We want your continuous support. Please think of Chinese Culture Center when filling your United Way Campaign pledge with your employer. The Chinese Culture Center United Way Code is 5342.
