

UNITED WAY 2009

To Chinese Culture Center Members, Supporters and Friends:

First of all, thank you all for supporting United Way campaign and the Chinese Culture Center in the past years!

Our mission is to build a strong, progressive and harmonious community through many service programs such as the Chinese Language education programs for all ages and cultural backgrounds (we are the largest provider of such programs in the area), youth summer camp and various cultural activities which enhance the social exchange and outreach to other communities. We were one of the proud sponsors for the 9th Annual Riverfront Dragon Boat Races and Asian Festival in Hartford on Saturday, August 15. Every year we will put together a free and open-to-public Chinese New Year Gala Show around the February timeframe. The upcoming Gala Show will be on Saturday, 2/6/2010 at the Welte Hall, Central Connecticut State University, New Britain, CT. This year our Gala Show will also celebrate the 30th Anniversary of the founding of the Chinese Culture Center.

As a qualified United Way agent (United Way Code **5342**), we appreciate the support from the CCC members and supporters in the past. We will continue to improve our program offerings to meet the demand from our community and beyond while continuously building an even stronger not-for-profit organization. We welcome your suggestions and we urge you to become part of the volunteer team contributing to better community programs.

We want your continuous support. Please think of the Chinese Culture Center when filling your United Way Campaign pledge with your employer. The Chinese Culture Center United Way Code is **5342**. Some companies may not have included Chinese Culture Center in their United Way Agencies Booklet; therefore you may have to identify us by name and address:
